M. Sargent and Exa Sargent whose residence is unknown, to be and appear before the Justice's Court of Precinct No. 1, Tarrant County, Texas, at a regular term thereof, to be holden at my office in the city of Fort Worth, on the first Friday after the second Monday in June at 2 o'clock p. m., it being the 13th day of June, 1919, then and there to answer the suit of Ross & Heyer Co., a corporation, filed in said Court on the 11th day of December, 1918, against the said G. M. Sargent and Exa Sargent for the sum of One Hundred Sixty-Five and no One-Hundredth Dollars, besides, interest, costs and attorney's fees, instituted upon Plaintiff's suit defendant on a balance due on one certain note of \$165.00 principal, past due interest of \$54.50, with interest thereon from December 9th, 1918, at the rate of 8 per cent per annum, note providing for 10 per cent attorney's fees, and payable at Fort Worth, Tarrant County, Texas, at the rate of \$10.00 per month; the note is secured by a chattel mortgage on one Story & Clark Player Piano No. 56938; the note provides that for failure to pay any installment as matures, the payee may mature the entire note; that payors have defaulted in several payments, and plaintiff has exercised its option and matured all of said note; that it has placed the same in the hands of attorneys for collection, who file this suit. Said balance is long past due and unpaid and defendants although often requested have failed and refused and still fail and refuse to pay same or any part thereof. Wherefore, plaintiff prays judgment for the said balance due on said note, interest, attorney's fees, for foreclosure of its mortgage lien on the above described property, for all costs of suit and general and special relief. Said suit now on file in this office. File No. of Suit 27160.

# A Rare Offering!

## The Burk-Newfield Oil Co.

500 acres in Tillman County, Oklahoma, across the river from the big Burkburnett Gusher Field. Lying in a Northwestern direction of the Texas Chief. The big profits are made by playing ahead of the drill. All the big wells of the Burkburnett Northwest Field were considered wild cats of the worst kind, but those who held their stock to the end surely made a handsome profit. What the Burk-Waggoner stockholders got will look like a thin dime, compared to what the BURK NEWFIELD stock should be worth when they hit oil. This is a speculation for those who can afford to lose a hundred dollars or win \$10,000.00.

**The Capital Is \$75,000.00 Shares \$10.00 Par Value**

Drilling to start promptly. Officers are all responsible people. Like all other offerings we have made the public, this BURK NEWFIELD will sell very fast. Last week we sold out the BURK EXTENSION, a 500-acre company near the BURK NEWFIELD. The stock was oversubscribed in two days. The big profits are made with big acreage companies. Act today—tomorrow you will regret your having bought at par.
